**ADDENDUM NOTICE 001**

**CLARIFICATION: REQUEST FOR PROPOSAL -PROVISION OF SMART WATER METERING**

Item No	Description	Clarification
1	Based on the deadline for submission 20 <sup>th</sup> December, 2023, our manufacturer for the UFM meters and accessories will be closing for the holiday by 15 <sup>th</sup> December, 2023 to 4 <sup>th</sup> January, 2024, with this consideration we request the extension of the submission's deadline by 3 weeks (I.e., 10 <sup>th</sup> January, 2024) to enable us submit responsive tender that will have the manufacturer's inputs in technical response.	<i>The opening date remains 20<sup>th</sup> December, 2023 at 11.00 am (EAT). The project implementation is behind time schedule.</i>
2	In the tender document, some parts indicate the scope is to provide consultancy service and some parts indicate it's a tender for provision and installation of smart meters, accessories and any other related service that will be required- Kindly clarify if this a consultancy service request OR Tender for provision and installation of the smart meters.	<i>Smart Water Meters</i> <i>The bidder is expected to do both consultancy and installation of smart water meters</i> <i>"Supply and install smart water meters capable of transmitting data at preset intervals at both DMA and Consumer levels, and integrate the meters to MOWASCO's existing Meter Data Management System and other relevant systems."</i> <i>The main objective of this process is to supply, install, test and commission the Smart water meters at both DMAs and Consumer levels to achieve the main objective of MOWASSCO going smart water meter way with the successful bidder considering the funding opportunities that is, but not limited to;</i>

		<p><i>Assess potential funding opportunities and budgetary capital cost estimates, that is a financial proposal of how the Consultant will raise funds and revenue sharing formula.</i></p> <p><i>The tenderer should ensure that the plan is comprehensive and caters to all aspects of the smart water metering program.</i></p>
3	<p>Will the contract be time based or Lamp sum contract? From our overview the contract will be a lamp sum -Confirm if Lamp sum cost can be used.</p>	<p><i>The contract will be lump sum contract.</i></p> <p><i>A lump sum contract or a stipulated sum contract will require that the contractor agree to provide specified services for a stipulated or fixed price.</i></p>
4	<p>Are the Key experts required for the project the one indicated in Section 2(B) Data Sheet (Page 18 of document) (a team leader and two legal officers) OR the one indicated in the Section 5-Terms of Reference (ToR) which comprise of Team leader, Project manager, Technician and System admin.</p>	<p><i>Yes, Key experts are required as outlined on the ToR, ignore Section 2(B) which came as a result of duplication error</i></p>
